
SIFRA TENDLER

TENDLER--Sifra. The Yeshiva University family expresses its deepest sorrow over the passing of Sifra Tandler, beloved and revered wife of Rabbi Dr. Moshe D. Tandler, Professor of Biology, the Rabbi Isaac and Bella Tandler, Professor of Jewish Medical Ethics at Yeshiva College, and a rosh yeshiva (teacher of Talmud) at YU's Rabbi Isaac Elchanan Theological Seminary. Rebbetzin Tandler is a daughter of the late Rabbi Moshe Feinstein, one of the world's most renowned Talmudic scholars. A woman of great compassion and humanity, she devoted her life to serving her community. We extend our heartfelt condolences to their children, Rivka (and Rabbi Shabtai Rappaport), Dr. Yacov (and Yael), Rabbi Mordecai (and Michelle), Rabbi Aron (and Esther), Rabbi Hillel (and Mashie), Sara (and Rabbi Avraham Oren), Russie (and Rabbi Sholom Fried), Ely (and Racheli), and over 100 grandchildren and greatgrandchildren. May they be comforted among the mourners of Zion and Jerusalem. Richard M. Joel, President Norman Lamm, Chancellor Morry Weiss, Chairman, YU Board of Trustees Julius Berman, Chairman, RIETS Board of Trustees
